Decision in Strikers' Arbitrat on Cases

DENVEL, May 33 .- Lucye Brewer ties morning rendered a decision in the arm rallon cases, being the alleged grievances of the striking employees of the D. & R. G. shops. Which were presented be ore him at enginen Wednesday last. The court stated that two petitions had been presented to min one subpementary to the other, which he had exammed carefully and heard the evidence for and against. These petitions empodied four alleget grievances first, that the wages of the apprentices in the stops were not reasonably acvanced Second, that the men in the freight depir men were required to do extra work wit iou, extra pay, that ten men acceed the larger on a lahum lattiey have \$-3,000 on land backet false pretense that there was not sufficient by an ince mite supply and will remain irm work for them, and that a perition to have until the rose is reorganized, when they ex- jurge of the Fifth judic a. c. strict of Co.orthem relustated and the hours of others respect justice will be cone them. duced has been denies. 'ourth, that one of the foremen employee at the shops was blasphemous and tyrannical and unfit for the post tion ie ioles and that a settion asking of its remova and stating these facts had been demed by the officials of the road. Some of these grievances the count regarded as friving poster demonstration this morn- puckets, district of Co oraco a orein the matter apprendes ter joung men, mg this precurtor was however gives sale court further to understanc and be Bung tion sixten to wenty thee Seets of age, but complained that their wiges were not teasinably achancee, jet apon being examined they destitled that the wages of city one of them the been reduced and that those of a but three raye been several times ac var cec during the time the roac. rac been in the hands of the receiver, and when it was known that the men who had

this grievance appeared very trivia. who testified regarding it. Was a some factorin. slaced in to overwork at h tee for wenty infinites others had said the night were on ged to work over an jour and a ja " frequent v but on the other hand it was acin thee that frequently in the unidele of becay, during regular working lours, they were without anything to co curing greater or less periods and one would seem of air yourset he offer.

"he other matter, the court said, was of a different nature and it was he on y one when it had regarded as an important one. The story of the men was that a foreman employer by the receiver was obboxious to the blasphemous and abusive, yrannica and un-Jackson asking that he might by removed. Ar Jackson kept the petition in the possession neunced to the petitioners had no could not as follows n this shape the matter was brought into court. '10 court stated hat the matter had received careful and impartia investigation at its nancs, that Messes, Sampe, Groves and McCe and the Goldant, defendant, quo warrance Theoobnoxious foreman) ac seen examined and after hearing in ab both sides of the story the court could no be leve that McCe an was either blasphemous or tyrannica. A the evicence went to show that MiCe an was a pushing, energetic foreman, "lat be worker late to advance the interess of life that one subject & Godearch above defendempiosers in his department and 4at, as a such earnest men are hable to be, ie it abeen per japs in the eviena cases unjust. As to his protainty the bulk of the evicence seemed Git swear at times, he was not nearly so probe an efficient and faithful emboye.

in conclusion the court accressed pleceiver Jacason and said wile it could not and show a not a ctate to a m whom he should employ yet t wou a urge num not to refuse to or same Fi the judicia castrie of Co orado, tec the prisoner. Yes ergay the ast act in emp by these men because hey laclengaged in the strike. " would urge," continued the of clerk of the district court in the county of court room where he had been on tral a few court, "that the honest, peacedu, oys men lake in said distributions, in consideration of the latter of her father. A first pace and made a very exching face cown by ver City and layard, it is impossible to suppossible to suppossib among tem be permitted to return to work i ties are needed. #### Victor Euzo's Creed. My soul drinks in its future life. Like some green tores thrice cut down, Whose shoots defy the exmen's strife, And skyward spread a greener crown.

While sunshine gilds my swed head, And bounteous earth supplies my food, The lamps of God their soft light shed, And distant wor ds are understood

Say not my soul is but a clod. Resultant of my body's powers; Bie plumes had wings to fly to God The winter a spows are on my brow

But summer suns more brightly a ow. And violets, itlacs, roses now Seem sweeter than long years ago. As I approach my earthly end Much plainer can hear afar

To welcome me from star to star. Though marvelous, it still is p.sin. A fairy tale, yet history; osing earth, a beaven we gain;

With ceath, win immortality. For fifty years my willing pen Ass flown or danced its busy dance

It is a thoroughfare—a way

We can say, "One cay's work is done;"

And opens in eternal cay. loved by the eve of God, I find That \_ must work as dic Vo taire, Who loved the world and all mankind; at God is love! Let none despar

Our work on earth is just begun: To make their summits in the sun And shine in bright eternal st.es.
